Remarks

In the Notice of Drawing Inconsistency with Specification, dated July 11, 2006, the Examiner objected to the specification. Specifically, the Examiner indicated that Figures 10C and 11C are listed in the Brief Description of the Drawings but not contained in the Drawings. Applicants respectfully submit that the Figures 10C and 11C are contained in the Drawings; however, Figures 10C and 11C were not listed in the Brief Description of the Drawings in the specification.

In this Amendment, Applicants have amended the specification to list Figures 10C and 11C in the Brief Description of the Drawings.

Respectfully submitted,
